Authorization to Enter Upon Land for Purpose of
Long-Term Groundwater Monitoring

BETWEEN:

        The Project Coordinator (hereinafter referred to as the **"PC"**)

_____

                                                         OF THE FIRST PART

        -and-

_____

        (hereinafter referred to as **"Property Owner"**)

                                           OF THE SECOND PART

WHEREAS the Property Owner is the owner of a property located at the following address:

Address: _____

                         _____

which has an observation well located on its premises; and

AND WHEREAS the PC operates the Groundswell project which, through community groups, monitors observation wells for the purpose of obtaining water quantity information throughout the Province.

The PC and the Property Owner agree as follows:

1.   The Property Owner authorizes the PC and Groundswell staff or volunteers, to enter upon the Property Owner's land with any equipment and vehicles that may be required in order to carry out any necessary tests and analysis of the observation well;

2.   Any work undertaken in relation to the observation well by the PC on the Property Owner's land shall be conducted at no cost to the Property Owner;

3.   This authorization shall remain in effect until either party terminates the agreement with one month advance notice in writing to the other party;

4.   The Property Owner agrees to provide the PC with written notification if it intends to sell the property in question; and

5.   By signing this letter the Property Owner hereby authorizes the PC and

Groundswell staff and community groups to enter upon the property in question. This authorization comes into effect as of the date of this agreement.
