

C&D Processing Sites

The fees, contact information, and material accepted at each site as listed below is subject to change. It is best to call ahead before beginning a building or demolition project to work out waste sorting details. For example, some C&D sites only accept sorted clean wood and metal so there's no benefit to separating out other project waste.

Region	Name	Address	Telephone	Tipping Fees Unsorted	Tipping Fees Sorted	Notes
Cape Breton	CBRM C&D Landfill	Grand Lake Road, Sydney	902-563-5900 or 567-1337	\$80/tonne	\$40/tonne	No charge for residents
